

# Create Presentations With PREZI

Call: 01628 810 196 | [jessica@dynamix-training.co.uk](mailto:jessica@dynamix-training.co.uk) | [www.dynamix-training.co.uk](http://www.dynamix-training.co.uk)

Prezi is powerful cloud based presentation software that uses motion, zoom, and spatial relationships to bring your ideas to life and make you a great presenter.

Pre-requisites: to get the most from this course it is helpful that delegates have hands-on experience with using cloud/internet based applications and knowledge of other presentation tools is useful.

**The course runs from 9.30 am to approximately 4.30 pm.  
Duration: 2 half days.**

## Create presentations with PREZI (Half Day)

### Aims

By the end of the course delegates will be able to create a new Prezi presentation working with text, images, frames and paths. Make use of shapes and symbols, diagrams and arrows. Present, share and collaborate Prezi presentations.

### Objectives

At the end of the course delegates will be able to:

- Navigate the Prezi interface
- Create Prezi Presentation
- Insert and edit text
- Work with images
- Work with Frames
- Work with Paths
- Add Symbols Shapes and diagrams
- Add Arrows and Lines

## More PREZI (Half Day)

### Aims

By the end of the course delegates will be able to incorporate Videos, music and voice overs into existing presentations, add PowerPoint and PDF files, present, share and collaborate Prezi presentations, customise themes and create presentations from templates.

### Objectives

At the end of the course delegates will be able to:

- Insert Video, music and narration
- Add PowerPoint and PDF files
- Share, collaborate and present Prezi presentations
- Insert hyperlinks
- Animate Frame content
- Apply basic design guides
- Present and Share presentations
