

Adobe DREAMWEAVER Introduction

Call: 01628 810 196 | jessica@dynamix-training.co.uk | www.dynamix-training.co.uk

Course Description

Dreamweaver is a website creation tool, enabling users to efficiently design, develop and maintain websites. Given the scope of the product, this course is run as a bespoke course, allowing it to be tailored to your exact requirements. To provide a start point, we'd recommend you use the suggested course outline as a guide.

This training course is bespoke, giving you the opportunity to tailor the content to your exact requirements. If you need a starting point, use the course outline below as a guide. The important thing to remember is that it's your course - tell us your goals and we'll help you achieve them.

Should you wish to further develop your knowledge, you might be interested in our other Web Design Courses.

The course runs from 9.30 am to approximately 4.30 pm.
